

Interested in learning German?

We are proud to announce the offering of an Adult Beginning German Language Course.

We are currently accepting beginners (18/over please) with limited and/or no knowledge of German. Classes are conducted using German textbooks, in an informal, speech-intensive manner, emphasizing German conversation, traditions and culture.

We feel students will find that learning German is fun. It creates social and business opportunities, and makes foreign travel more enjoyable.

Spring Semester will be conducted on Tuesday evenings from 7 to 9 p.m. and will commence on February 5, 2008 running through May 20, 2008.

Tuition costs are as follows:

*\$20/session or

*Discounted rate of \$275/semester. (which is cheaper than enrolling in a community college course)

*Materials costs not included

*Membership in the Carpathia Club is required. See www.carpathiaclub.com for details on membership

*For additional information or to enroll, please contact:
