

Zwergle Fussball

The Carpathia Kickers held another year of Fussball Schule over the summer. This year's Zwergle Fussball was attended by roughly 25 new, young, future Kickers. Practices were held on Monday evenings on the field behind the club, and 3v3 games were played on Thursday evenings. Practices and games were organized and lead by Thomas Lehrer, our men's 1st team coach and Mike Kubert, the Kickers over 30 Coach. Players ranged from ages 3 to 7 years and were taught the basic skills of trapping, turning, passing, laughing and having fun.

This year, Zwergle Fussball was reorganized. For the first time, players were charged a nominal fee and received a new ball and two T-shirt jerseys for Thursday's game day. After the last practice on Monday, August 9, players were treated to a pizza party in the member's bar. We look forward to continuing Zwergle Fussball next year and for many years to come. Special thanks to Jen Lehrer who took care of the administration and all the various assistant coaches who helped out including Sebastian Schwager. Also, many thanks to Kurt Seiberling, and the Kickers Board for their support. *Anton Matye* 🍀
