

Frauengruppe

Dear Ladies,

As we leave the year 2004 behind us (where did it go so fast?) I want to reflect on the activities of the Frauengruppe in the past 12 months. Although we have not been as active as in prior years, we nevertheless participated in the activities of the Club, as well as undertaking a few events on our own. Thank you to ALL the Ladies, from the bottom of my heart, for your efforts and support at the 2004 "Big Picnic". The baked goods were wonderful and we sold just about everything that you donated. The afternoon was a relaxing and very enjoyable day for all of us.

Our trip to the Oktoberfest in Frankenmuth in September was a wonderful experience in German Gemütlichkeit. We all had a great time strolling through the Frankenmuth shops, tasting the good food, listening and even dancing (a little) to the German Blasmusik Band.

Our biggest and most successful event of the year was the **Ladies Luncheon and Fashion Show on Wednesday, September 15th**. Approximately 300 Ladies came together to enjoy a great luncheon and to view the latest fashion displayed in our area stores. I thank all our friends, members of the Red Hat Club, as well as all the ladies. It was a very beautiful and enjoyable afternoon.

Our Christmas Party is on December 16th and I am looking forward to greeting all of you and to spend this meaningful and reflective evening with you and your spouses.

In love and friendship always,
Eure Stefi ☺

Don't cry because it's over;
smile because it happened. ☺☺☺

*Frohe Weihnachten und ein
gesegnetes neues Jahr wünscht die
Carpathia Frauengruppe*
