Der Sommer kommt bald!

... from our President

Dear Members:

First of all, let me thank all the members who took the time on February 20th to attend the 2005 General Meeting. We had a fairly good showing with 118 active and 6 passive members signing in and 21 board members answering the roll call. The new Board Member List is published on the next page and when you look it over you can see that we have a few new faces. One of these new faces belongs to the person publishing this Newsletter today – our new Pressewart, Edwin Heide. Please express your appreciation to all new board members for their resolve to “get involved” in Club business and support them with encouraging words.

I am very happy to announce that our 2nd VP Mike Talan has taken on the Chairmanship for our picnic at the Austrian Park – renaming it “Carpathia Sommerfest”. Mike and his committee are already in the planning stages. He has also been very active in bringing new events and new ideas to our Club. As a result, we will have a “Youthgroup Reunion on Saturday, June 18th and a “Fathers Day Picnic” (on our own premises) on June 19th. I ask all of you to spread the word, notify and invite relatives, friends and ex-youthgroup-members to these events.

As our building ages, there are a number of things that need to be replaced or repaired each year. For 2005 we plan on following the recommendations of the House Committee and replace the roof, reseal the parking lot, replace the rollers on the inside folding walls (they have really become a problem), the gutters at the front entrance/drop-off need to be extended, as the constant rain/freeze situation this past winter has made this area dangerously slippery, covered with ice on many occasions. We further need to see what can be done about the west wall in the GACC room – it seems the beams are showing quite visibly through the dry wall and the dry wall is cracking. Fa. Fraley has been called to look into that.

As our treasurer explained at the General Meeting, in order to receive better return on some of our money we have purchased some short-term bonds through Comerica Bank. Our money market account serves to cover expenses – those mentioned above and those that may still arise. Every year we are hoping that expenses can be minimized and our House Committee, under Hans Steiner’s Chairmanship, has done an outstanding job of doing much of the work itself at no cost to Carpathia.

Our Fish Fries have reached over 400 on most Fridays – on special occasion we have gone as high as 480. Thank you to all the members that pitch in and help and to the Untergruppen leaders who try to rally new and old helpers. I would like to extend a sincere thank you to all actively involved members.

On Saturday April 30th and Sunday May 1st we will be hosting the Jahreshauptversammlung (with elections) of the Danube Swabian Association in the USA (Dachverband). Some of the Dachverband members will be arriving on Friday evening, April 29th, for our fish fry. I would urge you to stop in that Friday evening and see some of your old friends and maybe even relatives. We have planned a Kameradschaftsabend to make them all welcome. The fish fry will feature “Schweinshaxn” or “Eisbein. We would like to make this a very nice evening for our visitors and friends.

I would also like to invite you to our Choir and Ladies Banquet on May 14th. By attending this event, we can show our support and appreciation for the hard work and dedication of both Untergruppen. So please try and attend and let’s make them feel appreciated.

German-American Cultural Center Community Talk

By Agnes Neumann

It's 2005 and winter still has us in its grip at least for another month. The next three months are filled with Anniversary Banquets and three Spring Concerts. All of these events and many others you will find in our Calendar of Events 2005.

I hope everybody had a great time at the GBU Saxonia-Rheingold Masquerade Party and the newly created Children's Mardi Gras. GACC, GBU and 130 children in costumes enjoyed a great time.

The German Professional Woman's Association (GPWA), a GACC member club since 2004 was also part of this endeavor. Since I forgot last time, I welcome the new kid on the block to our organization.

At this moment we are searching for the German American of the year for 2005. This award was first presented in 1964. It was always a top secret until the presentation at the annual banquet. This was changed a few years ago. In my humble opinion, it took all the fun and surprise out of it.

This year the GACC will celebrate its 55th anniversary with a gala evening at the Carpathia Club, home of the GACC since 1994. The evening will begin with cocktails at 7 pm. The program will begin at 7:30 pm. The program will be a performance by the Great Lakes Chorus. Introduction of the newly elected officers of the GACC. The annual presentation to Wayne State Universities "Junior Year in Munich" scholarship program, followed by special entertainment. The program concludes with the presentation of the German American of the year 2005 award. The Eric Neubauer Ensemble will play for your dancing pleasure. Donation is only \$15.00 per person and the dress code is **FORMAL**. We haven't done this for years; it is a return of elegance as it was in the 1970's and 1980's. **LADIES** and **GENTLEMEN**, dress up to the hilt, as we used to call it.

FOR RESERVATIONS, please call me at 586-978-8663. All seats are reserved. We all hope to see you in gala there. Dinner is available at Carpathia Club before the event. Please call 586-978-2292 for reservations.

It will be months before we talk again. The calendar of events 2005 is full of good events in the next three months. The quote in the calendar says.....

"Let's keep our heritage alive by supporting each other with Pride".

I wish you a wonderful springtime,
until next time,
Agnes Neumann

Kickers 2004

2004 was another good year for the Kickers. The 1st team continued its strong showing at the national, state and league level. At the national level they finished as runner up to Cleveland in the national Donauschwaben tournament. At the state level they won the tournament of Champions cup, and the State cup. They will represent the State of Michigan in the U.S. Open cup. At the league level they won the Michigan premier soccer league championship for the 4th year in a row. 2004 also saw us add two new teams in the youth program.

We now have 18 teams within the organization ranging in ages from under 9 to over 40. We are also the only Soccer club in the state that can boast at having such a wide range of ages for players to enjoy the game of soccer. The youth teams were also busy this past year. We finished 4 tournament champions and 4, 2nd place finishes in four separate tournaments entered. This is on top of the 1st and 2nd place finishes that they won in their leagues.

I would like to thank everyone that helped out at the various activities that we were involved with this past year, be it a Fish Fry, field maintenance, clean up, or at the two soccer picnics that we had. I know it seems like we as a lot of you, but in the long run the hard work is worth it. It allows us to keep our costs to a minimum and still provide a competitive and successful soccer program for your Son and/or Daughter to be involved with.

We also added the “Zwergl Fussball” (Dwarf Soccer) for children 7 and under. We will be doing this again this year, so if your child would like to play, please see one of the Kickers coaches.

We are updating the website so you will be able to purchase Kicker apparel online. To log onto the website, for now go to: www.carpathiaclub.com.

Germans of Greater Detroit – "Ten History Factoids"

(Eugene Carl Strobel, Ph.D)

Did you know that.....

1. The British Governor General of Detroit region during the American Revolution was German Swiss Frederick Haldimand.
2. During the period of British governance, Detroit's Wayne County was named after the German land of Hesse in Europe.
3. When the U.S. took possession of Detroit in 1796, German physician Hermann Eberts was appointed both the first sheriff and coroner of Wayne County.
4. The Moravian Germans built the first road, in what was to be the state of Michigan, to deliver the farm produce from their Clinton River missionary settlement to the Detroit market approximately 30 miles away.
5. Detroit, circa 1820, was one of the two most important outposts of German-born fur trader John Jacob Astor, who was to become the richest man in America by the time he died in 1848.
6. German-immigrant Frederic Rese was appointed Detroit's first Roman Catholic Bishop in 1833.
7. Swiss-born Father Martin Kundig, pastor of Detroit's first German congregation, began Catholic social and charitable services (hospital, orphanage, etc.) in the city during the deadly cholera epidemics of the 1830's.
8. Circa 1850, Temple Beth El, the city's first Jewish congregation, predominantly of German origin, was founded and is yet today one of Detroit's most distinguished.
9. In 1850, immigrant Bernhard Stroh established what eventually became America's fourth largest brewery; by the 1880's the Germans dominated the city's 30-brewery and saloon industry.
10. German Ernst Kern opened the first true department store in Detroit in the 1850's.

OUR Story of the Donauschwabens

While this scene is what we would like to remember about our past history, it is unfortunately not the total picture of the Donauschwaben past.

Per a request from the Dachverband and our Carpathia Club president, I will be collecting stories from you, our membership. The individual stories in your own words of your life. The changes that WWII brought. The personal account of your family. The fear, outrage and loss that you personally experienced. I am collecting these stories, either on cassette tape or written on paper. Once accumulated, I will pass them on to the Dachverband for possible inclusion in a book or documentary. The people that can discuss the old country are getting fewer and fewer, it is important that the last word on this tragedy belong to those who suffered these awful acts. I hope many of you will be able to participate and share your story. Don't delay another day!

Thank you, Marie Leverenz

You may call me with any questions you may have:
You can mail me your cassette, video or written story:

You can e-mail any questions or e-mail me your story:

mikeandmarie1@yahoo.com

You can leave your story with Adam Medel in his office at Carpathia Club for me to pick up.

Make sure your name, date of birth, and village name is on the story.

(Some suggestions for inclusion in your story are: Where did you live? Family members. Profession of your family. How many generations of the family had lived in the village. Did any family members leave? What did the Russians and Serbians do? How were the Donauschwabens treated. What happened to family members? Did any family escape? Who were sent to camps? What happened inside the camps? Did anyone escape from the camps?)

Dance Groups

I would like to say Happy New Year to everyone.

Our first dance of the year was Koenigsball der Jugend. The evening started off with a wonderful dinner prepared by our wonderful cooks. The march started with our Queen and King with their court marching in. Then the Youth Group performed a brand new dance that was choreographed by Steve Talan. Thank you, Steve, for all your hard work and dedication. I would also like to thank everyone else, from our hall decorators to the individuals who made our flyers and brochures in making this a splendid evening. The hall was also full which was nice to see.

Next, the Youth Group performed at the Dirndlbll. It was a very good turn out. Adam Medel did a good job. It was nice to see the different Dirndls and even some of the old ones.

On March 19th, the youth group made sausage or should I say the parents did. This was a fundraiser for Los Angeles. I would like to thank everyone who helped make and who purchased the sausage. A big thank you goes to the Reiter's for letting us use their facilities. The Volksgruppe was down at Germania Club for their Bock Bier Fest. They represented the club very well.

The upcoming events for the Youth Group are:

June 4 Dancing at Germania Club for their Festival, this includes all Carpathia dance groups

June 18 The Youth Group reunion

As a final note, the Youth Group is practicing very hard for their trip to Los Angeles.

Thank you everyone for your continuous support and help.

Whether it was your first dance partner, first trip out of town, or maybe the many friends you made over the years, I'm sure everyone that has been a member of the Carpathia Jugendgruppe at sometime or another has at least a few great memories of when they were an active member. For some of us, many years have passed by since we wore that "leiwel" or that "dirndl" for the first time. Going to dance practice on Sunday or Monday evenings and then afterwards grabbing a bite to eat at the Keg and I, Arby's or McDonald's was always something worth looking forward to. We all really should be thankful for this groups long and wonderful history, and hopefully it will continue for many more years to come.

Here is your chance to relive all those great stories and memories with your former and present Jugendgruppe members. On Saturday, June 18, 2005, the Carpathia Club invites you to a great evening, which we are calling the "Jugendgruppe Reunion". The night will start with a wonderful Schnitzel dinner, as always cooked up by our great ladies in the kitchen. The event committee will have a short little program, followed with a night of dancing and celebration to the great sounds of "SPASS" which is Steve Lang and Karl Peter's band, both former Jugendgruppe members. The cost of this event will be \$25.00 per person, which includes dinner, beer, wine and pop. The proceeds from this evening will go directly to the Jugendgruppe's trip to Los Angeles for this years Landestrachtenfest dance competition in August.

The following names are past members of the Jugendgruppe that we do not have addresses for. If you have this information, please call Adam Medel at (586) 978-2292. It would be wonderful to see all of our former members and their friends together again for what is promised to be an evening we will all remember for many years. You can order your tickets by calling Maria Dosenberger at (586) 822-2366 or Adam Medel at (586) 978-2292. Hope to see you all at this great event!

Hunters

From the Jäger.....

The Jäger held their elections for officers in January. Steve Psocka agreed to serve another term as President, and Rob Seiberling will also repeat as Vice President. Norm Raab will take the post of Treasurer, and Tom Forest will repeat as Secretary. The board is completed by Eric Rausch, who will take the post of Schießmeister (scorekeeper). Thanks to all the new officers, and good luck in your posts.

Early spring is the slow period for the Jäger – hunting seasons are over, and trap shooting has not yet begun. The Jäger are already looking forward to our annual competition with the Rhine Danube Sportsmen of Leamington, Ontario. This year we have scheduled two trap shoots. The first, on June 11, will be held at the trap fields at Leamington. The second shoot will be hosted by the Jäger – the location has not been determined, but the shoot will be held on August 13th. We have also set a tentative date for our annual Jäger picnic of July 24. Make sure to mark these dates in your calendars.

Spring does mark the completion of our year-long airgun competition. This year's finish was quite exciting. Anton Brandelik came into the final match with a substantial lead, but Fred Koberstein shot an incredible score (the highest freehand score to date) to bring the competition to a tie. The whole year came down to a single shootoff, and when the last pellet had found its mark Tony Brandelik came out on top. Obviously, Fred finished second, and Tom Forest finished a somewhat distant third. Tony will be awarded the Jäger Luftgewehr medal at this year's Jäger Banquet. Congratulations, Tony!

The Jäger are always looking for new members. If you are a member of Carpathia Club and are interested in hunting, shooting, or archery please call our president, Steve Psocka, at (586) 751-0424, or talk to any of the current members.

HEIMWEH IN DER HEIMAT

Von einer 82-jährigen Deutschen, die in der Heimat verblieben ist.

Ich lese Eure Briefe, die voll von Heimweh sind,
Heimweh nach Eurem Dorfe – beim Greise wie beim Kind.
Ihr tragt in Eurem Herzen, das teure Bild noch fort,
es grüßt Euch alle Zeiten auch an einem fremden Ort.

Ihr seht das Haus des Vaters – das Großvaters Eigen war,
den lieben alten Garten, reichtragend Jahr für Jahr.
Seht Eure weiten Felder in voller Pracht,
Ihr hört die Wälder rauschen geheimnisvoll bei Nacht.

Ihr fühlt Euch treu verbunden, der Heimat nach wie vor,
Die traute Muttersprache, tönt noch in Eurem Ohr.
Manch einer tut mir's neiden, daß ich daheim verblieb,
Als alle mußten scheiden, die mir vertraut und lieb.

Ach Gott, ich kann Euch sagen, es tut mir bitter weh,
Wenn ich die trübe Wendung der Heimat seh.
Die Gärten ohne Pflege, die Felder kaum bebaut,
aus altbekannten Häusern allerorts ein Fremder schaut.

Der Friedhof öd, verlassen, gestürzt manch Kreuz und Stein
wer sollte auch den Toten, getreuer Hüter sein.
Das Wort ist fremde Sprache, das Brot aus fremder Hand,
die Heimat selbst is worden, einkaltes, fremdes Land.

Ich bin daheim mit Heimweh! Begreift darum mein Fleh'n:
Ich such' die ewige Heimat, das letzte Schlafengeh'n.

Die Carpathia Schule feiert sein 10 jaeriges Jubilaeum in diesem Jahr. Dank unseres Ehrenpraesidents Herrn Franz Pelvay, Karin Schwalbe, Elisabeth Toepfner und Irene Dietz, die 1995 nach langer Pause die Carpathia-Schule wieder ins Leben Brachten.

Soweit laeuft unser Schulprogramm ganz gut. Leider haben wir nur drei Klassen in diesem Jahr. Die drei Lehrerinnen sind Frau Ingrid Wasserbaech, Miss Elke Becker und meine Wenigkeit. Ich ,oechte mich ganz besonders bei den Lehrerinnen bedanken, die jeden Freitagabend mit viel Eifer die Schueler unterrichten.

Liebe Freunde und Mitglieder, bitte unterstuetzen sie unser Schulprogramm. Die Schueler lernen nicht nur aus Textbuecher, sonder sie werden auch informiert ueber Kultur und Gebraeuche.

Die Haelfte des Schuljahrs ist vorbei und wie ueblich gab es im Frebruar Zeugnisse. Unser letzter Schultag und Abschlussfeier is am 6. Mai (7 PM). Die Schueler werden wieder ein kleines Programm bringen dazu moechte ich sie herzlich eingeladen.

Rueckblick:

Undere Schueler beteiligten sich mit einem kleinen Programm an der Carpathia Weinachtsfeier. Sie hatten eifrig gelernt und das Publikum belohnte sie mit einem grossen Ablauf.

Voranzeige:

Das neue Schuljahr 2005-2006 beginnt wieder im September. Naheres in der naechsten Ausgabe.

Ein kleines Fruhlingsgedicht

Das Bluenlein.

Sie war ein Bluemlein huebsch und fein,
Hell aufgeblueht in Sonnenschein.

Es war ein junger Schmetterling,
Der selig an dem Bluemlein hing.

Oft kam ein Bienlein mit Gebrumm,
Und nascht und saeuselt da herum.

Oft kroch der Kaefer kribbelkraab,
Am huebschen Bluemlein auf und ab.

Ach Gott, wie das dem Schmetterling,
So schmerzlich durch die Seele ging.

Doch was am moisten ihn entsetzt,
Das allerschlimmste kam zuletzt.

Ein alter Esel frass die ganze
Von ihm so heissgeliebte Pflanze.

Wilhelm Busch

Ein Mutterherz

Ein Herz das ist aus purem Gold,
Was ja ein jeder wissen sollt,
So edel, true, lieb und fein,
Kann nur ein Herz der Mutter sein.

Es schlaegt in Liebe Tag und Nacht,
Hat manches Opfer schon gebracht,
Hat manch Geheimnis tief verborgen,
Schlaegt heiterm, wenn auch voller Sorgen.

Allein es kann den Schmerz ertragen,
Ganz ohne sich zu beklagen,
Wie tief das Leid, es zeigt es nicht,
Auch wenn es fast in Truemmer bricht.

Dass es fuer uns noch lange schlaegt,
Wir bitten Gott ganz tiefbewegt,
Und sollt es aufhoeren zu schlagen,
Gib uns die Kraft es zu ertragen.

Wir beugen uns dann tief im Schmerz,
Weil wir verloren das Mutterherz.
Das hoechste Gut, das wir besessen
Das Mutterherz wir nie vergessen.

Zum Muttertag

Wir danken, liebe Mutter dir,
Fuer deine grosse Liebe.
Du bist die Allerbeste hier,
Im grossen Weltgetriebe.

Du lebstnicht nur am Morgen,
Fuer unser Wohlergehn,
Du bist umhegt von Sorgen
Wenn andere schlafen gehn.

Und stehen wir im Streite
Lenkt deine Hand uns fort,
Stehst immer uns zur seite,
Im handeln und im Wort.

Zu diesem Liebesfest,
Wuenschen wir dir heut viel Glueck,
Gott schenkt dir das beste,
Er Lenke dein Geschick!

1ST ANNUAL FATHERS DAY PICNIC

With summer just around the corner, it's time to start marking your calendars and making your weekend plans. Be sure to mark down Sunday June 19, 2005, which is Fathers Day. The Carpathia Club invites you to join us all for the 1st Annual Fathers Day Picnic, which will be held on the beautiful grounds of the Carpathia Club. Yes, normally you probably end up going to Dad's house for a Bar-B-Q and just sitting around all afternoon. This year get the whole family together, and of course DAD, and bring them to the Carpathia Club. From 12:00 till 8:00 we will be serving homemade sausage from the grill and our famous Goulash dinner will also be available. Along with great food, our bartenders will be happily serving you your favorite cold beverages all day long.

There will also be plenty of good music and entertainment for all. The Martin Brothers Band will provide the dance music from 2:00 until 7:00; they delighted the crowd last year when they played at Carpathia Club for the Trachtenfest. Our wonderful Dance Groups will also be performing during the band breaks for your enjoyment. All this will take place underneath a large tent with a wooden dance floor that the Club will be setting up for a true picnic atmosphere. To make things even more exciting the Carpathia Kickers will be playing three games at the Club field that day. At 11:00 am the Over 30 will play a game and at 1:00 the Reserve Team will play, followed by the 3:00 game that features the Kickers First Team. What more could anyone ask for. So make sure you make your arrangements now and let everyone that this year we will be celebrating Fathers Day at the Carpathia Club, at the.....

A wonderful recipe submitted by Irene Dietz

Koenigsberger Klopse

Die Koenigsberger Klopse sind wohl das beruehmteste der ostpreussischen Kueche. Allerdings sollte man sich die Muehe machen, sie auch wirklich nach ihrem Originalrezept zuzubereiten, und dazu gehoert Kalbfleisch. Sonst ist es so wie beim Wiener Schnitzel und dem Schnitzel Wiener Art, die letztlich nur ein Namenselement gemein haben, aber keinesfalls den Geschmack.

Zutaten

250 g Schweinehack	¾ liter Bruehe
250 g Kalbshack	5 Pfefferkoerner
4 EL Butter	2 EL Mehl
2 Eigelb	1 Glas Weisswein
Salz	1 Roerchen Kapern
Pfeffer	Saft einer Zitrone
2 Zwiebeln	etwas saurer Schmand
2 kleine Broetchen	eventuell Sardellenpaste

Zubereitung

Das Hackfleisch mit einem Essloeffel geschmolzener Butter, einem Eigelb, Salz, Pfeffer, einer in Butter geduensteten feingeschnittenen Zwiebel, den eingeweichten und ausgedrueckten Broetchen und mit Wasser oder Wuerfelbruehe (bis zu einer Tasse) gut durcharbeiten und zu 10 bis 12 Kugeln formen. Von ¾ l Wasser mit Knochen oder Bruehwuerfel, Zwiebel, Pfefferkoernen und Salz eine Bruehe kochen durchsieben und in der koechelnden Bruehe die Klopse in etwa 10 bis 12 Minuten garziehen lassen. Von drei Essloeffeln Butter und dem Mehl eine helle Mehlschwitze machen, mit der Bruehe aufgiessen, mit Wein und Zitronensaft verfeinern und mit saurem Schmand und Zucker abschmecken. Mit Eigelb abziehen, Kapern und Kloese Hineingeben und nicht mehr kochen! Dazu schmecken mehlig Salzkartoffeln, Gewuerzgerken oder Rote Bete.

In Stilem Gebet gedenken wir

Monaten verstorbenen Mitgliedern
