By Agnes Neumann

Hello everybody

All the indoor events are over by now and many preparing for the 2006 outdoor activities, and there are quite a few as always.

The Carpathia Club is having all their events at the Carpathia grounds this year, and we wish them well.

The Austrian Society and the GTEV "Edelweiss" have their Waldfests still at the Austrian Park, and so is the Deutsche Tag.

The D.A. Schützen Verein has all its outdoor activities at the Schützenpark in Auburn Hills. Check for dates in our calendar of events 2006.

The Deutsche Tag chairman Herbert Ochs and his committee are working hard to make it a memorable Summer Sunday in the Austrian Park (8-13-06) again for everybody. Hopefully the weather will play long with all their preparations. This year we will have about 80 guests from Germany visiting (the GBU Saxonia Rheingold) and participating as a choir. All Clubs who plan on participating in the Flag Parade, or the program that Sunday, please call me at: 586-978-8663. Thank you, it helps to coordinate the whole afternoon.

As you know, we have cancelled the celebration of the GACC's Anniversary every year. It will be celebrated every 5 years from this year on. With this, the selection and the presentation of the German-American of the Year award is postponed 'til 19th celebration of German American Day at the Carpathia Club on 10-7-06. Dateline for nominations is June 30, 2006. Yours truly promises you an evening with lots of good music and entertainment, and hope that all of you come to celebrate your heritage in the USA, which goes back over 300 years, and honor those people who fought very hard in the early 1980's, so that we are able to celebrate German American Day every year since 1987.

Donation is only \$12.00, all seats are reserved. Dinner is available before the event. On the menu: "Sauerbraten Dinner"

For clubs, early full table reservations all: 586-978-8663, for dinner: 586-978-2292 (Carpathia Club)

For all other functions starting in September, please check our Calendar of Events 2006 which is always available in the lobby of the Carpathia Club.

See you around this summer.

Until we talk again,

Agnes Neumann, GACC
