Sehr geehrte Damen und Herren,

Hello Summer!

As I write this letter, the building committee and executive board are working towards designing and planning our new home.

At the June Special Membership Meeting, the membership overwhelmingly authorized the executive board, with recommendation from the building committee, to spend \$725,000 of club funds to buy land and build a small meeting space.

While the size and layout of our new home are being planned, we need to keep in mind that we have approximately \$325,000 remaining to pay for the new clubhouse and land improvements.

By the September Half Year Membership meeting, we hope to provide our membership with details around phase 1 of the project (meeting space and necessary land improvements).

On July 20th at Addison Oaks park, the club will be hosting a membership picnic. **I hope to see everyone there!**

Please have a safe and enjoyable summer!

Grüß Gott,

Rob Hanschu

Greetings from the Choir

Hello Carpathia Club Members.

The Carpathia Choir is on a sabbatical right now, and we are enjoying a relaxing summer. We hope that all of you are doing the same thing.

I know a lot of the Carpathia Club members did not attend the special meeting in June. That's really too bad, because a lot of important information was given about the plans for our new Carpathia Club House.

We hope to see all our Carpathia Club members at the 1/2 year meeting in September.

For right now the singers of the Choir members will be meeting in a couple of weeks to discuss and make plans for our future. We have already planned to do another Card Party this coming January on the last Sunday in January.

You are all cordially invited to come and we hope you can all make it.

We look forward seeing you all at the occasions being planned by all of our Carpathia Groups.

Mit frohem Saengergruss

Carpathia Blasmusikanten

by Kathi Steiner Cole

On Sunday May 19, the Carpathia Blasmusikanten had their much-anticipated annual Spring Concert! The theme this year was "Frühlingsgefühle," and indeed, the Blaskapelle performed beautifully and with great feeling. It was wonderful to have so many families, friends, and guests from near and far attending this event. The Blasmusikanten were extremely pleased to present an afternoon filled with exciting new music, delicious food, amazing raffle prizes, and dancing for all. Vielen, vielen Dank! Thank You for your incredible support !

Looking for something that will enrich your grandkids lives and have them make lifelong friends along the way? Join the Kindergruppe and have them benefit from all it has to offer!

The Kindergruppe has been actively practicing every other Sunday at 10am in the GACC, where the kids are learning new dances and practicing the ones from our childhood.

We are enjoying our time and looking forward to the fall where we will dance for upcoming events.
